

### **How to set up a free Facebook page:**

1. Sign up for a free email account if you don't already have one (see below for instructions).
2. Go to [www.facebook.com](http://www.facebook.com).
3. Fill out the information on the first page (Name, email address, sex, birth date, and create a password) and click on "Sign Up".
4. Your Facebook page has been created. To "Login" to your page, you will just need to visit [www.facebook.com](http://www.facebook.com) and use your email address and new password.
5. If you wish to change your privacy settings from the defaults, click on the "Account" pull-down menu in the

upper right-hand corner of your page and select "Privacy Settings".

6. Once on the "Choose Your Privacy Settings" page, you may choose to apply the recommended settings or create custom settings.
7. If you wish to terminate your Facebook page after the voting campaign is over (August 1), click on the "Account" pull-down menu in the upper right-hand corner of your page and select "Account Settings". Once you are on the "My Account" page, click on "deactivate" (the last item in the list).

### **How to set up a free Gmail page:**

1. Go to [www.gmail.com](http://www.gmail.com) and click on the button "Create an account" on the lower right-hand side.
2. Fill out the information (name, desired login name, create a new password, provide a security question, and enter your birth date). Once the information is

entered into the fields, type the distorted word into the "Word Verification" field.

3. Click on "I accept. Create my account."
4. Note: If you wish to remain anonymous, you can create a non-identifying login name such as "Blue4589".
